The Court Calendar Tool provides real-time information for both Meeting of Creditors (341) and Hearings as they appear in CM/ECF. The calendars are updated as new information becomes available and is subject to change without notice. Cases may be called in a different order than they are displayed in the calendar tool.

- A** The Meeting of Creditors calendar can be generated based on date, and then by trustee and/or divisional office.
- B** Similarly, the Hearing calendar can be generated by date, and then by hearing type or for all hearings.
- C** Click the appropriate Options box(es) to Display Parties and/or Docket Text.
- D** To search for an upcoming hearing for a specific case, enter case number (hearings only, not 341).
