*Percent changes are year-to-date

	January	February	March	April	May	June	July	August	September	October	November	December	Annual Total (YTD)

NOTE: *Case filing statistics were posted at a specific point (e.g., after month end). The cases can change over time due to conversions, consolidations, re-openings, etc.*
As a result, total filing statistics between charts with different posting dates, such as statistics on the US Courts website, may differ slightly. Statistics on the US Courts website are the official statistics.
