\$ _____ 3. Fee for Attorney(s) for Debtor Paid After case filed
\$ _____ 4. Fees - All Other Professionals
\$ _____ 5. All out-of-pocket EXPENSES of administration, including trustee's (excluding fees)

Item A. Confirmation of Plan: Place an "X" in appropriate box.

Item B. Percentage Dividend to be Paid: This item should only be completed when a plan has been confirmed and the petition is not dismissed. The percentage dividend to be reported is that which is to be paid to the unsecured creditors under the plan. It will usually be set forth in the plan reflected as, for example, a "30% payment" or "30% dividend" to unsecured creditors.

NOTE: If the plan contemplates no payment to unsecured creditors, enter a "0" in the percent dividend box.

Percentage Dividend Not Determinable: Complete only when a percentage dividend cannot be determined. This space is provided for cases where neither the percentage dividend nor dollar amount was disclosed and thus cannot be calculated.
